Multi-Bay Battery Charger for Dell™ Latitude™ D420/D430 Laptops

Model # DS-10BY-BC-420

Datamation Systems is pleased to introduce an advanced UL-listed battery charger that can re-charge and maintain up to 10 batteries (4, 6 and 9 cell) for Dell Latitude D420 & D430 laptops.

Working with engineers with more than a decade of battery technology experience, we can now provide a compact, effective recharging strategy for organizations that want to maintain extra batteries for classes, training facilities, etc. This new charger makes use of the Dell batteries' smart charge and quick-charge features and contains two bays that can be used to completely re-calibrate batteries, helping preserve their effective life and optimum use.

Made for use only with Dell brand batteries for the D420 and D430.

"Dell" and "Latitude" are trademarks of Dell Inc.
