

# MULTIMEDIA AND LAPTOP SECURITY CART

## MODEL # DS-MFC

- Comes with a pre-installed surge-protected, 10 outlet power strip with 15' exit power cord
- Two internal equipment shelves; one external, hinged "white board" shelf (can be used just like a white board)
- Innovative tiltable projector shelf with hand crank for easy adjustment
- Secure two point locking system: one key opens all
- Configure it yourself with your own components
- Lower compartment dividers (fire-rated ABS plastic) are removable
- 4" high wheels: two swiveling & locking, two fixed
- Compact dimensions: 20"W x 24"D x 41 1/2"H
- Power cord wrap bracket for safety and convenience
- Ergonomically angled push handle
- Can store 8-10 notebooks or netbooks

- Crank adjustable shelf for projector\*
- VCR/DVD player shelf\*
- Speakers, amp & sub woofer shelf\*
- Stores up to 8 notebook PCs in lower compartment\*

Cart can also serve as a podium or lectern because its stand-up height creates a suitable platform with convenient access to a laptop, work surface and AV technology

Optional notebook pull-out drawer (model # DS-GS) is perfect for lectern use
